Sir:

AMENDMENT UNDER 37 C.F.R. 1.312

Applicants gratefully acknowledge the interview granted by Examiner Evans on Friday, April 27, 2007, during which he indicated that amendment dated April 25, 2007 was entered, and the case stands allowed.

Upon reviewing the claims, applicants respectfully request that the below amendments (discussed with the Examiner during the interview) to be entered. It is not believed that these raise material new issues, nor comprise new matter.

In addition, a certification under 37 C.F.R. 1.97(e)(2) is provided herewith relating to the previously unentered information disclosure statement. The delay was incurred in meeting the reasonable inquiry requirement. Consideration thereof is respectfully solicited.
